AN ORDINANCE TO AMEND THE CODE OF THE CITY OF GROSSE POINTE PARK BY REVISING AND AMENDING CHAPTER 22, ARTICLE I, BY ADDING MUNICIPAL CIVIL INFRACTION VIOLATION AND PENALTIES FOR BUSINESS REGULATIONS; AMENDING CHAPTER 34, ARTICLE II, SECTION 34-22, BY ADDING SOLID WASTE CONTAINER CONDITION REQUIREMENTS; AMENDING CHAPTER 28, ARTICLE III, BY ADDING THE OFFENSE OF CYBERBULLYING; AND AMENDING CHAPTER 40, ARTICLE I, BY ADOPTING A SECTION OF THE MICHIGAN INSURANCE CODE.

THE CITY OF GROSSE POINTE PARK ORDAINS:

Section 1.

Chapter 22 – Licenses, Permits and Miscellaneous Business Regulations, Article I – In General, of the Code of the City of Grosse Pointe Park, is amended to add Sec. 22-2. – Violations and Penalties, with Secs. 22-3—22-20. being Reserved:

Sec. 22-2. – Violations and Penalties

- (a) *Municipal civil infraction.* Unless specified otherwise, any person, firm, or corporation violating a provision of this chapter, upon an admission or a finding of responsibility for such violation, shall be deemed responsible for a municipal civil infraction as that term is defined and used in MCL 600.101 et seq., as amended, and shall pay a civil fine as prescribed below or as determined by the Municipal Court Judge. Each and every day the violation continues shall constitute a separate violation.
- (b) *Costs.* Any person, firm, or corporation ordered to pay a fine under Subsection (a) of this section shall be ordered by the Municipal Court Judge to pay costs of not less than \$9.00 or more than \$500.00 to the City for reimbursement of all expenses, direct or indirect, arising out of, and in connection with, the violation of the this chapter up to the entry of the court's judgment or order to pay fines and costs.
- (c) *Additional writs and orders.* Except as otherwise provided, a person who admits or is found responsible for violation of this chapter shall comply with any order, writ, or judgment issued by the Municipal Court to enforce this chapter pursuant to Chapters 83 and 87 of the revised judicature act, MCL 600.8301 et seq., and 600.8701 et seq., as amended.
- (d) *Defaults on payments of fines and costs.* A default in payment of a civil fine, costs, or damages, or expenses ordered under Subsection (a) or (b) of this section, or an installment of the fine, costs, or damages or expenses as allowed by the Court, may be collected by the City by a means authorized for the enforcement of a judgment under Chapter 40 or 60 of the revised judicature act, MCL 600.4001 et seq., or 600.6001 et seq., as amended.
- (e) *Failure to appear in court.* A defendant who fails to answer a citation or notice to appear in court for a violation of this chapter is guilty of a misdemeanor, punishable by a fine of not more than \$500.00 plus costs and/or imprisonment not to exceed 90 days.
- (f) *Lien against land, building, or structure.* If a defendant does not pay a civil fine or costs or an installment ordered under Subsection (a) or (b) of this section within 30 days after the date upon which the payment is due for a violation of this chapter involving the use or occupation of land or a building or other structure, the City may obtain a lien against the land, building, or structure involved in the violation by recording a copy of the court order requiring payment of the fine and costs with the County Register of Deeds. The court order shall not be recorded unless a legal description of the property is incorporated in or attached to the court order.
 - (1) The lien is effective immediately upon recording of the court order with the Register of Deeds.
 - (2) The court order recorded with the Register of Deeds shall constitute the pendency of the lien. In addition, a written notice of the lien shall be sent by the City by first class mail to the owner of record of the land, building, or structure at the owner's last known address.
 - (3) The lien may be enforced and discharged by the City in the manner prescribed by its Charter, by the general property tax act, Public Act No. 206 of 1893, being MCL 211.1 et seq., or by an ordinance duly passed by the City. However, property is not subject to sale under Section 60 of Public Act No. 206 of 1893 (MCL 211.60), for nonpayment of a civil fine or costs or an installment ordered under Subsection (a) or (b) of this section unless

the property is also subject to sale under MCL 211.1 et seq., as amended, for delinquent property taxes.

- (4) A lien created under this section has priority over any other lien unless one or more of the following apply:
 - a. The other lien is a lien for taxes or special assessments.
 - b. The other lien is created before the effective date of the ordinance from which this chapter is derived.
 - c. Federal law provides the other lien has priority.
 - d. The other lien is recorded before the lien under this section is recorded.
- (5) The City may institute an action in a court of competent jurisdiction for the collection of the fines and costs imposed by a court order for a violation of this chapter. However, an attempt by the City to collect the fines or costs does not invalidate or waive the lien upon the land, building, or structure.
- (6) A lien provided for by this subsection (f) shall not continue for a period longer than five years after a copy of the court order imposing a fine or cost is recorded unless within that time an action to enforce the lien is commenced.

COUNCIL COMMENT:

-Councilmember Kolar commented on the following: I'm still recovering from Camp WindY Mill. I want to thank our Parks and Recreation Director and their entire staff; they did an amazing job. This is now my 4th year for it. This Saturday is the last Saturday for the farmer's market. I will not be there but graciously Mayor Hodges decided to accept my volunteer opportunity so she will be out there on site.

-Councilmember Gallagher commented on the following: I was unable to make the planning commission and City Council Meeting regarding the new ordinance. I took the opportunity to look at this new ordinance and I also took a comparison to our City master plan. The maps look nothing alike. They are completely different and rezone parts of our city for 6 family homes, hotels, motels and short-term rentals.

-Councilmember Wiener commented on the following: Infrastructure meeting, planning on the first week of October We need to be more prepared, in the weeks leading up to these meetings, we need to write down questions and comments and send them to the respective departments so they can be prepared with answers. We should probably possibly consider putting a time limit on Council comment like we've done with our public comments.

-Councilmember Dreaver commented on the following: I want to thank everyone who helped put together camp Windy Mill. I recruited some new people who had never been there before because last year was my first year. I also want to call out Kelly Konieczki, is about to receive an award from the Beautification Council of Southeast Michigan. They only give out one award a year and she is the recipient of that award. We're just super proud of her and lucky to have her in our community and on our Beautification

Commission. We also had our native plant sale this weekend which Kelly is a big part of bringing those people together. The next plant exchange is October 5 from 9:30am-11:30am at Windmill Pointe Park.

-Councilmember McMillan commented on the following: I commend our City Manager and Mayor for bringing in Priority. I think it was a good discussion. I think our citizens should know our City Manager and his administration are working hard for them and addressing these concerns as they are coming in. We are working for the people, and it's going to get better by the week.

-Mayor Hodges commented on the following: I just want to talk about a few things. 1. Stellantis

Air Quality concerns that have been presented. In response to that I did attend an EGLE sponsored information session and hearing last week related to the permit that has been requested by FCA USA after Detroit Assembly complex on Mack. Your voice is really important on this. This week we memorialize the September 11th event. There will be a service of remembrance at the War Memorial at 8:30am. All are welcome to attend. Second to trash complaints we are getting a lot of stop sign and speeding complaints. I ask Councilmember McMillan with his role in the Public Safety Committee, that before the end of the year we get a report on what remedies are being employed, and what the process is. Just so the community understands; 1. How they can engage and 2. How we go about making these decisions and how we can get input from residents.
